*first published in 1988 this title is a study of the essay as a literary genre not just in terms of its general intellectual and literary history but as an exploration of the creative possibilities of the form the*

rise of the essay is discussed in relation to the rise of the novel and the emergence of empiricism in science but the main focus of graham good's study is on the inner workings of the essay itself drawing on criticism by adorno and lukacs graham good presents the genre as an expression of individualism freed from tradition and authority in which the self constructs itself and its object through independent observation through analysis of the work of such essayists as montaigne bacon virginia wolf t s eliot and george orwell the potential of the genre for independence and individualism is illustrated and the essay is resituated as an intellectually challenging form of creative and critical writing

the author of such classic works as the republican roosevelt v was for victory and years of discord john morton blum is one of a small group of intellectuals who for more than a quarter of a century dominated the writing of american political history writing now of his own career blum provides a behind the scenes look at ivy league education and political power from the 1940s to the 1980s blum insightfully recounts a long and distinguished journey that began at phillips academy where he first realized he could make a career of teaching and writing history he tells how young men were socialized to the values of the northeastern establishment in those years before world war ii and how as a non practicing jew he learned to overcome bigotry both at andover and at harvard which then had no jewish professors in 1957 blum joined the faculty of yale university's history department widely regarded as the nation's best where he became both influential and popular and where his students included one future u s president as well as others who aspired to the office he reveals much about the inner workings of ivy league education and tells of controversies over the vietnam war and the black panthers his role in eugene mccarthy's presidential campaign and how he searched for common ground between reactionary faculty and radical students more than a recounting of a singular life blum's story explains how political history was researched and written during the second half of the twentieth century describing how the discipline evolved gained ascendancy and was challenged as historical fashions changed it also offers revealing glimpses of such prominent academics as kingman brewster arthur schlesinger jr c vann woodward and william sloan coffin over a distinguished career blum witnessed considerable change in elite educational institutions where minorities and women were grossly underrepresented when he first entered academia in a memoir brimming with insight and laced with humor he looks back at the academy not a refuge from reality but an alternative reality as he reflects upon his intellectual journey and his contributions to the study and writing of twentieth century american history

in focusing on the poetic treatment of self and literary form in keats and shelley mark sandy shows how using nietzsche's philosophy to illuminate keats's correspondence and shelley's a defence of poetry provides a conceptual basis for a comparative reading of the poets using key ideas from nietzsche sandy explores keats's endymion and shelley's alastor as redefinitions of the romance genre further he suggests that in their redescription of romance keats and shelley discovered a radical mode of subjectivity that is present in keats's major odes and shelley's lyrical poetry as a conflict among poetic identity art and existence in sandy's reading shelley's adonais and keats's the eve of st mark emerge as diverse meditations on crises of posthumous reputation and future audience whereas keats's hyperion fragments and shelley's the triumph of life resolve these anxieties over authorial posterity by entrusting the reader with a new form of poetical self

If you ally need such a referred **The Observing Self** books that will find the money for you worth, get the unconditionally best seller from us currently from several preferred authors.
